Mines listed on page Two.

Dear Mr. Wilson,

As you know, your company is approved to operate the above named mine under the 1975 Utah Mined Land Reclamation Act. The Rules (Rule M-8(b) direct the Division to obtain an Annual Operations and Progress Report for each active mine. An updated Map and plan is also required to be submitted annually in the same rule.

Enclosed you will find the Division's Annual Report Form (MR-3). Please return the completed form with the updated map by January 31, 1979. If your mine has not started operating since approval, and you feel an update is not required, so state this on the MR-3.

Sincerely,
